SEPTEMBER - Week 4

DEAR PARENTS,

This week in Spanish we are going to have so much fun! We'll chat with our friendly, Spanish-speaking puppet. Our puppet loves to give hugs, high-5's and help us practice counting in Spanish!

NUMBERS IN SPANISH

We'll continue mastering numbers 1-10, not just through a catchy tune but with a super fun balloon tap game! In this exciting activity, the class will work together to keep a balloon in the air by tapping it while counting to ten in Spanish. It's a fantastic way to practice numbers while having a blast!

1 uno (oo-no)	2 dos (dohs)
3 tres (tdrace)	4 cuatro (kwah-troh)
5 cinco (sing-koh)	6 seis (say-ees)
7 siete (see-eh-teh)	8 ocho (oh-choh)
9 nueve (hew-a-bay)	10 diez (dee-ace)

HOW ARE YOU?

Next, we'll move on to learning how to ask and say how we're feeling in Spanish. We'll practice asking each other & responding:

"¿Cómo estás?" (How are you?)

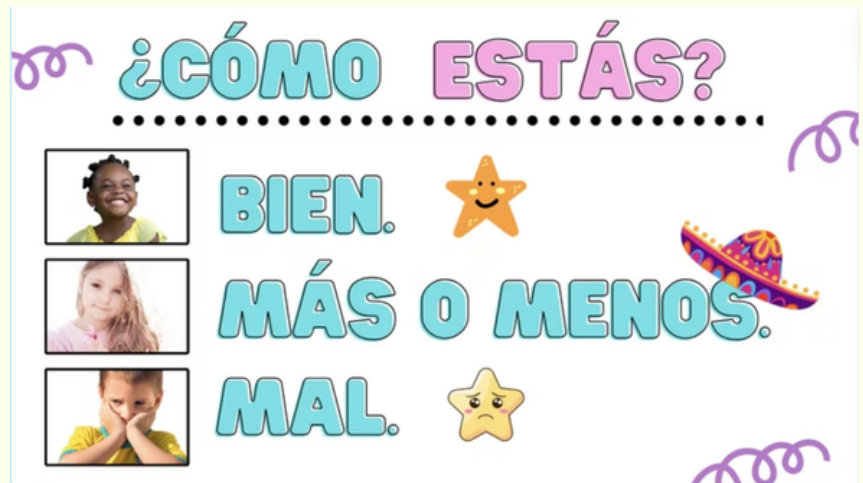

"Bien." (Good.)

"Más o menos." (So-so.)

"Mal." (Not well.)

We'll use visuals and fun facial expressions to bring our answers to life.

HERE IS A POSTER WITH THE PHRASES WE'LL PRACTICE:

It's going to be a week full of excitement, learning, and laughter!

🎵 **OUR GOODBYE SONG — ¡ADIÓS!**

As always, we'll end our Spanish class with our fun and energetic goodbye song! 🎵 Children will sing, move, and follow along with actions as they practice saying "¡Adiós!" and other simple Spanish phrases.

It's a wonderful way to end class on a happy note while helping Spanish become a natural and joyful part of their day! 💖 🇪🇸
