

SPANISH

FOR TODDLERS & PRESCHOOLERS

HOLA PARENTS:

The toddler and preschool years are IDEAL for exposing children to a second language. Here are some of the benefits:

- ▶ It improves multi-tasking skills
- ▶ It boosts test scores in core subjects
- ▶ It improves ability to learn native language
- ▶ It creates a greater sense of empathy
- ▶ It helps train a child's ear for music
- ▶ It makes travel more fun
- ▶ It can connect kids to their heritage
- ▶ It boosts creativity
- ▶ It increases career opportunities
- ▶ It can increase earning potential
- ▶ It helps prevent age-related memory loss
- ▶ **It's FUN!**

ESPAÑOL

We want to help your child achieve these benefits, that is why we include Spanish in our curriculum! Your toddler or preschooler will learn Spanish while in our care. Our teachers make learning Spanish fun by using an exciting Spanish curriculum that includes puppets, games, songs, role-play, culture, exercise, art, dance and more!

Parents, you can participate in learning Spanish too with our monthly Interactive Spanish Newsletters. The newsletters will empower you to practice and learn Spanish as a family, reinforcing what we are teaching at our center!
